CLOSED TO PUBLIC ACCESS**

Elgin, SC – As Kershaw County continues to show strength during COVID-19, the Town of Elgin is committed to keeping our community safe and healthy while still maintaining our government services.

Beginning Thursday, January 13, 2022, Elgin Town Hall will be closed to public access until Tuesday, January 18, 2022, in an effort to do our part to reduce our community's exposure to COVID-19.

Citizens and businesses can be assured that government matters can still be taken care of during this time primarily by phone, email, drop box and/or online services at www.townofelginsc.com. Please drop all LEWA Payments and Elgin Police Department Fines (checks or money orders only) in the drop box located at our main entrance. We will take appointments electronically by emailing our Town Clerk at elgin.clerk@townofelginsc.com or Elgin Police Department Administrative Assistant at epdadminsupport@elginpd.org.

We are encouraging everyone if they have questions regarding a matter, please do not hesitate to contact our offices at:
